--------------------	--------------------------------

Doors and windows

Doors	Double-Glazed Timber Joinery, Insulated Profile
Windows	Double-Glazed Timber Joinery, Insulated Profile

Scope of these figures

Insulation	The 100 mm cavity is the space insulation occupies. Eurodita supplies the structure prepared for insulation, not the insulation material, so the cavity dimension is not an insulation specification.
Availability	Build-up availability and suitability for a given project and destination are confirmed per order.
Performance	These dimensions establish no thermal, fire, structural or certification performance.

Supplied by (partner details)
