

# Workshop Log Cabin 2x2m, 28mm Apex roof

Workshop Log Cabins

Specification recorded for Workshop Log Cabin 2x2m, 28mm Apex roof. Dimensions are the building's external dimensions. A row appears only where a figure is recorded for this model.

| Building                   |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| External dimensions        | 2 x 2 m                                                                                                     |
| Eaves height               | 220 cm                                                                                                      |
| Ridge height               | 240 cm                                                                                                      |
| Base                       | External footprint 2 x 2 m. Base type and size are confirmed for the specific model and site.               |
| Structure                  |                                                                                                             |
| Wall profile               | 28 x 100 mm as standard                                                                                     |
| Other wall options         | Other approved solid wall profiles can be specified to suit the project and budget.                         |
| Construction               | Interlocking tongue and groove joints                                                                       |
| Timber                     | Northern European timber                                                                                    |
| Storm brace and anchor set | Included                                                                                                    |
| Floor                      |                                                                                                             |
| Floor bearers              | Impregnated as standard                                                                                     |
| Floor boards               | 28 mm                                                                                                       |
| Roof                       |                                                                                                             |
| Roof boards                | 19 mm tongue and groove boards                                                                              |
| Doors and windows          |                                                                                                             |
| Doors                      | Single glazed                                                                                               |
| Windows                    | Single glazed                                                                                               |
| Scope of these figures     |                                                                                                             |
| Insulation                 | Eurodita supplies the timber structure prepared for insulation where required, not the insulation material. |
| Performance                | These dimensions establish no thermal, fire, structural or certification performance.                       |

|                               |                                                                                                                                                                                                                                                                                                                       |
